

Pray

Prayer is at the centre of our work and we covet your prayer support. **THE WAY TV** produces a monthly News & Prayer bulletin that will keep you up-to-date with the latest information and prayer needs. You can read the latest prayer diary [here](#) and subscribe [here](#).

Learn

Monthly flyer is **The WAY TV's** newsletter which comes out three times a year. It contains more in-depth information about our programmes and the impact they are having in viewers' lives. Download the latest flyer [here](#) and subscribe [here](#) to receive it by post.

Listen

Every day **THE WAY TV** hears stories from viewers of lives changed and faith strengthened. We want to share this exciting news with Christians all over the world. A visit to your church by a **THE WAY TV** speaker will enable you to pray meaningfully, support the persecuted Church and understand the region.

Experience

Have you ever met a Middle Eastern Christian? Do you want to hear their stories and learn first-hand of their struggles and achievements for God? We invite you to attend **THE WAY TV's** annual Network conference, held in Cyprus each March. It's an opportunity to meet with Middle Eastern Christians from our offices across the region, learn of the latest developments and plans, and share fellowship together.

Following Network, you are invited to join us on a Vision Trip to one of **THE WAY TV's** media centres in Egypt, Lebanon or Turkey. You will get a taste of Middle Eastern culture and see our staff at work. We are sure your visit will inspire you and encourage them.
