

THE WAY TV does not sell advertising, nor do programme presenters ask for gifts. Instead we rely on donations from individuals, groups and churches to fund the making of our high quality, culturally relevant Christian programmes.

THE WAY DINNER

Help us raise £20,000 while you have dinner!

We urgently need to raise money to produce a series of programmes specifically broadcast the news and what is going on the street live right to your home and support church leaders as a media platform. Can you help us by organizing the way TV dinner event?

Your Dinner event can be whatever you want it to be. Hold it after morning worship, or make it a brunch and have it afterwards. Serve a traditional Middle East dinner or make it a typical Middle Eastern day start to the day. Get together with your home group on a Saturday night or dinner with your weekday Bible Study group. Turn it into a prayer dinner or breakfast focusing on Christians in Iran or simply make it a fun time to share food together. Do whatever is right for your church!
